*On The Move*

*The satiated day is never  
the greatest.*

*The best day is a day of  
thirst.*

*There is probably purpose  
and meaning in our  
journey*

*but it is the pathway there,  
which is worth our while.*

*The greatest aim is a night  
long rest,*

*where the fire is lit and  
the bread broken in haste.*

*In the place, where you  
sleep but once,*

*sleep becomes safe and  
the dream full of song.*

*Move on, move on! The  
new day is dawning.*

*Endless is our great  
adventure.*
