

*Till minne av*  
**Johan Larsson**

† 21 november 2021

1 år av oändlig saknad

*Hold on to memories  
that keep us strong  
Tomorrow I will try  
to face another day  
Now that you are gone  
You and me  
as one together  
In my dreams  
we'll stay forever young  
I feel you  
in the rising sun
